WHEREAS, the Owner has requested and the City desires to offer the Owner certain economic development incentives through the Bowie Economic Development Incentive Fund to ensure the redevelopment of the Property in an expeditious manner; and

WHEREAS, the City finds that use of the economic development incentives set forth herein are necessary to accomplish the important goal of redevelopment of the Property; and

## 7. IMPACT ON SURROUNDING PROPERTIES

A. The Owner shall comply with all applicable City ordinances and regulations, as well as any and all applicable Federal, State and local laws and regulations relating to the redevelopment of the Property. The Owner acknowledges that it is aware of the potential negative impacts that the demolition and construction phases of the redevelopment project can have on surrounding properties (e.g., creation of noise, dust, dirt, and debris), and Owner agrees to take actions to minimize any such potential negative impacts that the redevelopment of the Property may have upon the surrounding properties and the adjacent community center. The Owner shall promptly communicate to the City and to the MNCPPC any complaints it receives regarding the aforementioned negative impacts.

## 8. GROCERY STORE OPERATIONAL NEEDS

Provided that designs are consistent with all applicable design guidelines and review documents and that the view from Annapolis Road/Maryland Route 450 is enhanced by landscaping, the City agrees to support gasoline sales in conjunction with the grocery store on the Property provided that such use is authorized by the Prince George's County Zoning Ordinance at this location.

1. Site Water Utilities: The Owner shall design and construct on-site water utilities as privately owned utilities and obtain a Site Utility Permit as required through WSSC.

2. Connections to City of Bowie Water Mains: The Owner shall apply to the City of Bowie Department of Public Works for permission to make new connections to the City of Bowie water mains. The application shall include all site utility design documents, and required hydraulics to meet maximum daily loads and fire flow requirements. 4. Future transfer of 10" water main: A primary 10" main shall be located on the property that will connect to the City of Bowie water mains located on Superior Lane and Stonybrook Drive. All costs for engineering review of plans, evaluation of City's sewer mains for capacity, construction inspections, and connection fees shall be chargeable to the Owner. The Owner shall not relocate sewers, make new connections, nor terminate existing sewer connections without letter approval from the City of Bowie.

C. Definition of "Owner": With respect to any obligation to be performed pursuant to this Section 10, the term "Owner" shall mean the person or entity owning the Property at the time that such obligation is required to be performed.

11. EXISTING PYLON SIGNAGE and DRIVEWAY ACCESS POINTS

The Owner and City agree that the redevelopment of the Property or the addition of new retail uses may necessitate a reevaluation of the driveway access points onto the Property and the existing pylon signage. The Parties intend that the existing number and location of pylon signs and driveway access points shall remain to the fullest extent allowed by the law and the City will allow and/or support minor modifications as to their locations as requested by the Owner.

## 12. RESIDENTIAL

A. The City supports a mixed use development on this property that includes a residential component. The City shall have the ability to approve or deny, in its sole and absolute discretion, any Conceptual Site Plan (the "CSP") application for residential uses on the Property prior to submission to the Prince George's County Council (the "County"). The Owner shall not submit any CSP application for the Property to the County unless said application is first approved by the City, in its sole and absolute discretion. The Owner shall not construct any residential improvements on the Property unless based upon a CSP approved by the City pursuant to this paragraph.

B. If the Owner submits a CSP with a residential use, senior age-restricted housing shall constitute a minimum of 20% of the total residential units contained on the Residential Parcels (the Parcel(s) behind the grocery anchored shopping center as depicted on the attached Exhibit A).

C. The City shall have the ability to approve or deny any Detailed Site Plan (the "DSP") application on the Property prior to submission to the County. The Owner shall not submit any DSP application on the Property to the County unless said application is first approved by the City. The City's approval of a DSP application on the Property shall not be unreasonably withheld. The Owner shall not construct any improvements on the Property unless based upon a DSP approved by the City pursuant to this paragraph.

D. References herein to "senior age-restricted housing" or "residential units for seniors" shall mean residential units contained on the residential portions of the Property that are required by covenant to be occupied by at least one resident who is 62 years of age and older.

The Owner shall work with the City to ensure that the Fair is appropriately organized and advertised.

B. The Owner, with assistance from the City, will conduct a "Jobs Fair" in Bowie to provide an opportunity for all project contractors and their sub-contractors to fill vacant positions with Bowie workers. The Owner shall work with the City to ensure that the Fair is appropriately organized and advertised.

This Agreement was made in the State of Maryland, and shall be governed by, construed, interpreted and enforced in accordance with the laws of the State of Maryland. Any action to enforce the provisions of this Agreement or for damages or other relief for breach or anticipated breach hereof shall be brought in the courts of the State of Maryland located in Prince George's County, and the parties consent to the jurisdiction thereof and acknowledge and agree that venue is proper therein.

## 20. INDEMNIFICATION

The Owner shall indemnify, defend and save harmless the City from any and all costs and damages, losses, claims, suits and actions including attorneys' fees that the City may sustain or suffer by reason of the Owner's failure to perform the terms and conditions of Section 3 and 4.A. of this Agreement, that such failure is caused by the City's actions or failure to act, except that in no event shall Owner be liable for any indirect damages under this Section 20; and except further, that such indemnification shall be limited as follows:(i) following completion of the requirements of Sections 3 and 4.A of this Agreement ("Completion"), the maximum amount of Owner's indemnification obligation under this Agreement shall be equal to the payments made to Owner pursuant to Section 5.B of this Agreement following Completion and (ii) after all of the payments due pursuant to Section 5.B have been made, this Section 20 shall expire and be of no further force and effect.

## 21. RECORDATION

This Agreement shall be recorded among the Land Records of Prince George's County, Maryland at the sole cost and expense of the Owner.

## 22. RIGHT TO TERMINATE.

This Agreement may be terminated immediately by the City upon written notice to the Owner whenever adequate funds have not been appropriated by the City Council in the annual budget for the purpose set forth herein. The City does not guarantee the appropriation of funds for any subsequent fiscal year (beginning July 1). Upon such termination, the City shall be liable to the Owner for all payments due to Owner as of the effective date of the termination. Furthermore, if at the time of any termination, the Owner has performed services entitling it to receive any payments hereunder from the City, the provisions of Sections 6, 9, 10 and 11 of this Agreement shall survive any such termination.

## 23. DEFAULT OR BREACH OF AGREEMENT BY OWNER

A. Any failure by the Owner to comply with any of its material obligations contained herein, or the sale or transfer of the Property prior to completion of the Minimum New Structures, shall constitute a material breach and shall entitle the City to give to the Owner written notice specifying the nature of the breach. Such notice shall require the Owner to make good or otherwise cure such breach. If such breach is not cured within thirty (30) days of such notice or, if such default cannot be cured within said period, and the Owner does not commence

actions to cure such breach within such period and thereafter diligently continue such actions and cure such breach, then the City will be entitled, without prejudice to any of the other rights conferred on it by this Agreement, to terminate this Agreement upon written notice to the Owner and (subject to Section 23.B.) to demand repayment of all monies paid by City pursuant to this Agreement. In the case of such a demand, but subject to Section 23.B, Owner shall repay City all sums due within 30 days of City's notice for repayment.

B. The City acknowledges that this Agreement is a material inducement to Owner to take certain actions at Owner's cost and expense, but subject to reimbursement as provided in this Agreement. Accordingly, notwithstanding the provisions of Section 23.A. or any other provisions of this Agreement, the City agrees that Owner may retain the following funds and shall not be obligated to return such funds to the City as a result of Owner's default, termination of this Agreement, or otherwise: (i) if Owner has demolished the existing structures on the Property as contemplated by Section 3.A. of this Agreement and has completed debris removal and grading, Owner shall retain and not be required to return the first \$350,000 payment received pursuant to Section 5.A of this Agreement, (ii) if Owner has demolished the existing structures on the Property as contemplated by Section 3.A. of this Agreement and construction has commenced on the new grocery store, Owner shall retain and not be required to return the second \$350,000 payment received pursuant to Section 5.A. of this Agreement and (iii) if the grocery store anchor tenant opens for business and is operational pursuant to a minimum five-year lease that has been provided to the City as required to this Agreement, Owner shall retain and not be required to return any payments received pursuant to Section 5.B.

#### 24. WAIVER

The failure by one party to require performance of any provision shall not affect that party's right to require performance at any time thereafter, nor shall a waiver of any breach or default of this Contract constitute a waiver of any subsequent breach or default or a waiver of the provision itself.

#### 25. NONASSIGNABILITY

This Agreement shall not be assignable or transferable by the Owner, whether by operation of law or in any other manner, without the prior consent in writing from the City, which consent shall remain in the discretion of the City until the demolition, grading and site work contemplated by Paragraph 5.A. hereof has been completed and the grocery store lease contemplated by Paragraph 5.B. hereof has been provided to the City and thereafter shall not be unreasonably withheld, conditioned or delayed (and for this purpose the parties hereto expressly agree that the City's requirement that the assignee or transferee agree to assume all or any of the obligations under this Agreement shall be deemed to be reasonable). In the event of insolvency of the Owner, this Agreement shall terminate immediately at the election of the City. Notwithstanding anything herein to the contrary, Owner may subject the Property and this Agreement to a mortgage, deed of trust or other security.

26. WAIVER OF JURY TRIAL

Each of the parties hereto hereby waives to the fullest extent permitted by applicable law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated by this Agreement. Each of the parties hereto hereby (a) certifies that no representative, agent or attorney of the other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it has been induced to enter into this agreement and the transactions contemplated by this agreement, as applicable, by, among other things, the mutual waivers and certifications in this Section 26.

27. COUNTERPARTS

This Agreement may be executed and delivered (including by facsimile or email transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same Agreement. IN WITNESS WHEREOF, the Parties have executed and acknowledged this Agreement as of the day and year first written above.
