REV 4/08

Planting a tree is a wonderful way to provide a living memorial to a loved one. Trees are a great gift and help improve the quality of life in the city.

Let the memory continue to grow...

Consider the Gift of Trees.

- A tree can be planted in memory of individuals who were residents or former residents of the City of Bowie for at least five years.
- Trees can only be ordered “in memory of” an individual who is deceased. Trees will not be planted in honor of or dedicated to living persons.
- The cost of planting a memorial tree will be \$250.00. A bronze memorial plaque casting may be obtained from the City’s provider for an additional fee of \$275.00.
- Payment, in the form of a check made payable to the **City of Bowie** should be included with this application.
- All plantings will take place on Arbor Day, the 2nd Saturday in April.
- Applications must be received by January 31.

Please note: The purchase of a memorial tree or plaque is deemed a donation to the City of Bowie, and does not constitute ownership of the item, the land upon which it is situated, or the surrounding lands. The City, in its sole discretion, will determine whether to repair or replace a memorial tree or plaque that is damaged, stolen, destroyed, or expires.

- A certificate stating where and when the Memorial Tree was planted will be mailed to the donor or may be picked up during the City’s Arbor Day Celebration event in April.
- Please send all requests to:
