

Agenda

Review of Concept Alternatives for Master Plan for Whitemarsh Park

Steering Committee Meeting 3

~~June~~ July 30, 2010 at 1:00 PM

Room 204, City Hall

Welcome and Introductions

Review of Work to Date and Past Presentations

Master Plan Program and Concept Alternatives

- Program Content
 - Distinction Between Two Alternatives
 - Amount of Parking and Impact on Entry

- Concept Plans – Diagrams
 - Master Plan Concept Alternative A
 - Master Plan Concept Alternative B
 - Text oriented document with plan diagrams, sketches, photo examples as final Master Plan product rather than drawing produced as a site plan styled product
 - Target where illustrations will be most helpful for explanatory purposes to the public

- Sites/Areas requiring further illustration
 - Adjustments to Concepts
 - Missing Program

Standards/References to Adhere to and Recommend Incorporating

- Show illustrations and diagrams in concurrence with current standards
- LEED-certified goals – in text more so than drawings

Preliminary Cost Estimates

- Broad Overview of Costs
