Nomination Forms Available
for the Malcolm “Skip” Popp Award

The Malcolm “Skip” Popp Award is offered by the City of Bowie for Scouts and/or Scout Leaders who have performed “extraordinary and distinguished community service, within Scout organizations in the City of Bowie.” Nominations must be made through scouting units, who may nominate Scouts and/or Scout Leaders within their groups. Community members are welcome to contact a Scout unit to recommend one of their members for nomination. Nominations are being accepted between now and the deadline, 5 pm, Friday, April 23, 2010.

Mr. Malcolm “Skip” Popp, Jr. was an active member of the Bowie community for many years, and helped to organize a Cub Scout Pack at Buckingham Elementary School. In May of 1971, while on a camping trip with the Scouts, after successfully rescuing a boy from the flood-swollen waters, he slipped below the water and drowned. He had given his life to save the child.

In June 1971, Bowie City Council established an award to memorialize Mr. Popp’s act of heroism. The purpose was to “foster a tradition and spirit for the kind of service to Scouting and love of neighbor that “Skip” Popp exemplifies in private and Scouting capacity.” The first medal was awarded to the Popp family in memory of Mr. Popp. Malcolm “Skip” Popp was placed in the City of Bowie Hall of Honor on May 21, 2000.

Eligible Scouts or Scout Leaders must be registered with Boy Scouts of America or Girl Scouts, USA. They must also:

- Be affiliated with a scouting group within the limits of the City of Bowie, and/or a scouting group for which 50% or more of their youth members are Bowie residents
- Been a member of a community based scouting group at the time of the service for which they are nominated.
