

**MEMORANDUM**

To: City Council  
From: David J. Deutsch, City Manager  
Date: July 1, 2008  
Subject: Bid for Hot Mix Resurfacing and Coldmilling

Legal notices were placed and bid packages were sent to various firms for hot mix resurfacing and coldmilling . Bids were opened and publicly read on July 1, 2008. The following is a tabulation of the bids received:

Fort Myer Construction Washington, DC	\$1,418,850
F. O. Day Co., Inc. Rockville, MD	1,567,130
Bardon, Inc. Greenbelt, MD	1,617,895
Reliable Contracting Co., Inc. Millersville, MD	1,807,175

This annual bid covers the hot mix asphalt resurfacing and coldmilling of City streets as described in the Streets portion of the FY09 Public Works budget. The amount set aside for street resurfacing is \$1,282,700. After a careful review of the bid proposals submitted, it was determined Ft. Myer Construction, Co., Inc. of Washington, DC had submitted the most responsive, responsible bid in the amount of \$1,418,850. Although the total price is over budget, the bid is based on a series of various unit prices for different depths of asphalt, coldmilling etc. and the quantities will be adjusted to remain within the budgeted amount and the contract will be issued for the budgeted amount of \$1,282,700.

I concur with the above recommendation and request your approval of R-45-08.
