Re: Race Track Road
Cr: Speed Camera

Dear Mr. Deutsch:

This is in response to your October 22, 2009 letter regarding your request for permission to install speed cameras along Race Track Road at Yorktown Elementary School.

Please note that this location along with Samuel Ogle Elementary School located along Old Chapel Road were among candidate locations on County's speed camera list. In fact, we have recently established a school zone for the Yorktown Elementary School and soon we will complete the necessary sign installations along Old Chapel Road. Consequently, we have presented the list to our council members and approvals for the County to install the cameras have been secured. Therefore, we cannot approve your request for installation of speed cameras by the city contractor.

If you desire additional information, please do not hesitate to contact me or Andre' Issayans, Deputy Director, at (301) 883-5600.

Sincerely,

Haitham A. Hijazi
Director
