2010 AND BEYOND

Impact the future of parks and recreation in your community

Tell us about issues that should be addressed as we plan for future parks, facilities and recreation programs in Prince George's County. The Maryland-National Capital Park and Planning Commission (M-NCPPC) Department of Parks and Recreation values your opinions. Parks & Recreation: 2010 and Beyond is a project to help identify needs for parks, open space, trails, recreation programs and leisure services. Log onto www.2010Beyond.com for more information.

2010 and Beyond is part of a larger Envision Prince George's initiative that is engaging a broad cross-section of the County's stakeholders to develop a shared vision for the County's future. Log on to www.mncppc.org/Envision for more information.
