Status Report

1. Potomac Hospitality Group Expanding In Bowie

The Potomac Hospitality Group, owners of Ruby's Southern Kitchen, have leased the former Pier One location at Bowie Gateway where they will expand their restaurant and kitchen. Owner Candi Dailey said "...we signed the lease for the Pier One space, with hopes to move in by late summer / fall. We will use the building for both Ruby's and as production kitchen space for our catering company Potomac Hospitality." The company will continue with additional operations at their Annapolis Road location "We will continue to use it as a rental / incubator kitchen for food trucks and small catering companies etc. We still have tenants now and we will begin to accept more tenants once we move Ruby's out."

Ms. Dailey is a member of the City's Economic Development Committee.

2. Common Ownership Communities (HOA/COA)

The County has launched a new online training program for people who live in a homeowner's association or condominium owner's association community. HOA and COA Board members are strongly encouraged to take the training; all community members can take it and learn more about what HOAs and COAs can and cannot do.
