1. Movie Screening: Happy Feet, May 13

In lieu of the typical Earth Month activities, which were cancelled much earlier due to lingering COVID concerns, the Green Team has opted to join forces with Community Services to host a screening of a family-friendly, environmentally-focused movie. The family movie night will take place at Allen Pond on Friday, May 13. We will kick off the evening with a family dance party and Zumba with Cindy (a Green Team volunteer) at 7:30 and show Happy Feet at 8:30 pm. Please join us for this fun night out!

In the event of rain, we will decide on a rain date Contact Ashleigh Diaz with questions.

2. Economic Development Committee (EDC)

The Bowie EDC held their regular meeting on Wednesday April 13, in-person at City Hall. Council Liaison Gardner attended and answered EDC member questions about the ice arena and other recreation facility investments. The EDC did not have a quorum. The EDC's guest speaker was injured the evening before the meeting; her presentation on business attraction efforts at the State level will be rescheduled. The next regular meeting of the EDC is Wednesday, May 11.
