Community Shredding and Styrofoam Recycling Event is Saturday, June 20th

Residents can safely dispose of old bank statements, tax returns, credit card applications and other personal documents they no longer need at Bowie's Community Shredding Event this Saturday June 20, 2015, from 8 a.m. to 2 p.m. in the parking lot at Bowie High School. At the same event, hard Styrofoam of the type used in the packaging of electronics will also be collected and recycled.

This popular and free event provides an opportunity to get rid of documents that may be of a sensitive nature that people just don't want to throw away or recycle. Residents can just drive through and drop off their papers or they can park and watch while their items are shredded.

Up to five kitchen sized trash bags or five boxes will be accepted per carload. There is no need to remove paper clips or staples from the documents. Styrofoam must be free of tape and glue.

Bowie High School is located at 15200 Annapolis Road. For more information about this event please call the City of Bowie Public Works Department at 301-809-2344.
