Curbside Leaf Collection Begins Week of November 2, 2015

The City of Bowie Curbside Leaf Collection program begins November 2nd and runs through December 17th. Each single-family residence in the city (and some townhome communities) will be visited twice by leaf collection crews. Leaves should be at the curb on the grass (but not in the street) by 7 a.m. on the scheduled dates. If pickup is scheduled in your neighborhood, please do not park cars on the street in front of the leaves.

Some neighborhoods may take more than one day to complete. The second consecutive day is added to the schedule to allow time to finish up an area. Leaves should be out on the first day listed. The schedule is published on the City website. Residents can also opt to put their leaves out in cans or bags for pick up with yard waste on Wednesdays. Please remember that only paper bags (no plastic bags) may be used for yard waste.

For more information on the Curbside Leaf Collection Program and the collection schedule, call 301-809-2344 or visit www.cityofbowie.org/leaves.

(The schedule is on the next two pages.)
