I. POLICY

The integrity of the Bowie Police Department depends on the personal integrity and discipline of all employees individually and collectively. To a large degree, the public image of the agency is determined by the quality of the internal affairs function in responding to allegations of misconduct by the agency or its employees. The policy of the Bowie Police Department is to investigate fully each complaint or allegation of misconduct against an employee of the Department.

II. PURPOSE

The purpose of this General Order is to establish an Internal Affairs Function, a function which the Department considers important for the maintenance of professional police conduct and the overall integrity of the agency. The Department will respond expediently and responsibly to allegations of misfeasance, malfeasance, and nonfeasance by employees, and to complaints about the Department's response to community and individual needs.

III. GENERAL

- A. Department employees are often subject to intense challenges in the performance of their duties. An employee must remain neutral and calm in situations that are tense, fast-moving, and emotional. Situations frequently result in words, actions, and reactions that are misunderstood or confusing, which become the foundation for a complaint. Resolution of a complaint and inquiry into the circumstances prompting it requires a procedure that is exacting, fair, and consistently applied.
- B. Police Officers, like all citizens, are protected by the guarantees of the U.S. Constitution and are further protected by the Law Enforcement Officers' Bill of Rights (LEOBR) Public Safety Article §3-101 *et seq.* of the Annotated Code of Maryland as amended.

- C. Employees are expected to always give truthful responses to questions related to the performance of their official duties and their fitness to hold public office.
- D. Copies of the Citizen Complaint form will be kept on hand and can be found online as well as in report form in Records and will be offered to a citizen with an explanation of its use whenever any citizen asks for information on how to make a complaint against the Department or an employee of the Department.
- E. All complaints made against the Department or its members shall be investigated, including anonymous complaints.

IV. CLASSIFICATION OF COMPLAINTS

- A. Administrative: Complaints initiated internally against an employee by another Department employee.
- B. Personnel: Complaints made by the public or other persons outside the Department against an employee.

V. DEFINITIONS

- A. Complaint: An allegation of misconduct, inappropriate performance, or violations of any law, Departmental policy, procedure or directive that is made against any employee of the Department.
- B. Counseling: A written or verbal communication between a subordinate and a supervisor which involves performance-related issues. This is a non-disciplinary corrective action.
- C. Dispositions Types:
 - 1. Administratively Closed: When investigations are completed and non-disciplinary actions, such as training or counseling, are provided.
 - 2. Exonerated: When investigations determine that the incident did occur, but the actions of the accused were justified, lawful and proper.
 - 3. Not Sustained: When an investigation fails to disclose sufficient evidence to prove or disprove an allegation.
 - 4. Sustained: When the investigation discloses sufficient evidence to establish a prima facie case with respect to the allegations of misconduct.
 - 5. Unfounded: When the investigation indicates that the alleged acts did not occur.
- D. Force: The Bowie Police Department classifies force into three different categories:
 - 1. Excessive Force: Intentional malicious, unjustified use of force resulting in injury or potential for injury.
 - 2. Aggressive Force: Force (continued use of force) in scope, duration, or severity under circumstances when resistance has ceased.

3. Unreasonable Force: Force inappropriate to affect arrest or control situations; includes use of force when none is necessary.
- E. Final Order: The decision of the Chief of Police, after review of a hearing board's findings, conclusions and recommendations. In cases where the Hearing Board is waived, this decision will be rendered after review of the case.
 - F. Letter of Reprimand: A letter documenting a violation and a corrective action taken. The letter of reprimand will be placed in the employee's personnel file. This is the lowest form of formal discipline issued by the Department.
 - G. Non-Punitive Transfer: A transfer or reassignment, as determined by the Chief of Police, made in the best interest of the Department. This is a non-disciplinary personnel action.
 - H. Official Leave: Leave with pay (non-disciplinary) approved by the Chief of Police.
 - I. Policy Failure: When the investigation reveals that the incident did occur, the action of the Department or the officer was consistent with Department policy, and a need for a revision, change, or correction in Department policy/procedure is identified.
 - J. Remedial Actions: Non-punitive measures taken by a supervisor to improve an employee's performance (i.e., counseling, training, referral to professional services, transfer to other assignments).
 - K. Summary Punishment: Punishment imposed for minor infractions by the Chief of Police, when the facts constituting the offense are not in dispute. Summary punishment may not exceed the perimeters set forth in the LEOBR.
 - L. Suspensions:
 1. Emergency Suspension: Suspension from duty with pay imposed by the Chief of Police or his/her designee, upon a determination that the action is in the best interest of the public, employee or Department. A suspension from duty without pay may be imposed by the Chief or his/her designee when an employee has been charged with a felony.
 2. Suspension of Police Powers: Authorization for the suspension of an officer's police powers must come from the Chief of Police or his/her designee.
 3. Suspension for Disciplinary Reasons: A penalty imposed by the Chief of Police, or his/her designee, for the violation of any Departmental rule, regulations, policy or any law. The suspension may include a prohibition against approved secondary employment and loss of police powers.

NOTE: During the period of the suspension, an officer is not eligible for overtime payments unless approved in advanced by the Chief or his/her designee. An officer on suspension is still required to report to court, pursuant to a subpoena, unless excused by the State's Attorney's Office. Any time used by an officer reporting to court shall not be included in the period of suspension. Upon completion of the period of suspension, the officer shall be restored to full authority and possess all police powers unless the chief directs otherwise.

VI. LAW ENFORCEMENT OFFICERS BILL OF RIGHTS

The Law Enforcement Officers Bill of Rights (LEOBR), Annotated Code of Maryland, will be
