On 11/4/16 at 0111 Hours Bowie Officers were on patrol in the 15000 block of Norge Court when they observed two vehicle with their interior lights on. After further investigation it was determined that the vehicles were unlocked and had been ransacked. While checking other vehicles on the street, a car alarm was heard coming from behind the bank of houses. Officers responded to that location and observed two individuals walking on the bike path behind the houses. When officers responded, several items were observed scattered on the path. The suspects fled towards November Court, where one was apprehended on the soccer field @ November Court and North Oak Court. The other suspect was apprehended by responding officers at the corner of North Oak Court and Mitchellville Road. All of the vehicles involved had been left unlocked by their owners. The two suspects had property on or near their persons that was taken from four of the vehicles. Both suspects were brought back to the Bowie Police Station where they were interviewed by CIS.
