I. PURPOSE

As a first-line supervisor, the Corporal is expected to perform all duties required of every police officer either directly or through his subordinates and is responsible for the work of operational line officers. As the link between officers and the Sergeant, the Corporal assists with and is concerned with the achievement of the police purpose. The Corporal, having regular direct contact with the officers, performs a dual role: technical, having to do with the proper methods of performing the basic police functions, and interpersonal, having to do with the human relations involved in directing the work of others.

Good self-discipline is a character trait that causes an officer to adhere to high standards of work and behavior on a voluntary basis. Officers are expected to develop and apply good work habits and to conform their conduct to the Department's rules, regulations and statements of policy. The supervisor establishes these work habits through the climate of supervision and personal example.

The most difficult part of a supervisor's job is administering disciplinary action when an officer's conduct falls short of the standards and expectations established by these General Orders or any other applicable rules, regulations or policies of the City; it is, however, imperative that a supervisor, including a Corporal, where appropriate, be willing and able to administer disciplinary action when appropriate. Forms of disciplinary action are discussed in other General Orders, the Bowie Police Department's Code of Conduct and the Law Enforcement Officers' Bill of Rights.

II. POLICY

It should be noted that the position description reflects illustrative examples of work performed. It is descriptive, not limiting, and is not intended to describe all the work performed. The grade of Corporal is subordinate to the Sergeant. Master Police Officers who have a minimum of two (2) years experience with the City of Bowie Police Department, and maintained a satisfactory performance rating or better will be eligible for promotion to the grade of Corporal. Refer to General Order 319 for the Promotional process.
