With the 2018 Atlantic hurricane season upon us, now is the perfect time for Bowie residents to prepare for the effects of a major storm. For helpful tips and information, visit [www.cityofbowie.org/hurricanes](http://www.cityofbowie.org/hurricanes).

### **Help Our Collectors Stay Safe**

City trash and recycling collectors (“Bowie’s Strongest”) work hard each day to ensure waste material is collected and properly disposed of or recycled. Each collector individually lifts more than 20 tons of refuse from City curbs into the refuse trucks each week. Your care in setting out trash will assist in keeping our collectors safe.

Keep it light. Bagged trash should be easy to lift and you should be able to carry it with one hand. Trash containers should be no larger than 32 gallons and when full, should weigh less than 50 pounds. Bundle yard debris so that it can easily be picked up and placed into the truck. Make certain that all glass, nails, and other sharp items are safely packaged in puncture proof containers and marked “sharps”. For information about safely disposing of needles, syringes and other medical sharps, please visit [www.cityofbowie.org/trash](http://www.cityofbowie.org/trash).

### **Mosquito Control**

The City of Bowie, in partnership with the Maryland Department of Agriculture, has an aggressive mosquito surveillance and spraying program in City neighborhoods. When necessary, spraying is done in the late evenings/early mornings on Tuesdays and Wednesdays (June to September.) You can also do your part to control the mosquito population and prevent the spread of West Nile virus by eliminating mosquito breeding areas on your property in places where water collects, such as trash cans, buckets, and wheelbarrows, and by changing water in kiddie pools, bird baths, and outdoor pet water bowls regularly. For more information about mosquito prevention, visit [www.cityofbowie.org/mosquitoes](http://www.cityofbowie.org/mosquitoes).

Finance Department at City Hall. If the receipt does not specify that the mower is one of these three types, please also bring a manual or other documentation for the mower. More information: [www.cityofbowie.org/greenbowie](http://www.cityofbowie.org/greenbowie).

### **\$70 Fine for Leaving a Cat or Dog in an Unattended Vehicle**

In Maryland, it is a violation of state law (\$70 fine) to leave a cat or a dog in an unattended vehicle. If the animal is left in a manner that endangers its health and welfare, such as in extreme heat, it is considered a criminal offense under the Criminal Law Article Sections 10-604, 10-606.

Animal Control Officers are allowed to use force as reasonable and necessary to gain access into a vehicle for the purpose of rescuing a pet. The City of Bowie Animal Control Division is proactive in its approach to and enforcement of these violations. For more information, please contact Bowie Animal Control at **301-809-3002** or visit [www.cityofbowie.org/animalcontrol](http://www.cityofbowie.org/animalcontrol).

A mentor act as a friend, advisor and a listening heart. Make a difference in the life of a student by assisting in their transition to a successful academic experience.

Volunteers spend an hour a week building relationships and making a positive difference in the lives of the students and their families.
