City Hosts Workshop on Applying for Community Outreach Grants June 26

The City of Bowie's Community Outreach Committee awards grants of up to \$5,000 to individuals, groups and/or organizations to assist in facilitating programs to benefit underserved Bowie residents. Projects can be in many areas such as social services, youth, senior citizens, and mental health. Applicants are encouraged to start new programs, although existing programs will be considered.

A workshop to assist in preparing grant applications is scheduled to be held in Room 124 at the Kenhill Center on June 26 at 7 p.m. Topics will include an overview of Community Outreach grant process, what you need to know before you seek a grant, and how to define a budget.

For more information, contact Sally Hein at 301-809-3014 or shein@cityofbowie.org .
