1. 2020 Bowie Green Citizen Award

This year, the Green Team and Environmental Advisory Committee chose Mrs. Ann Fleming, science teacher at Benjamin Tasker Middle School, as the recipient of the Bowie Green Citizen Award. Ann is exemplary in her environmental and sustainability initiatives with her students, the school's Green Team, and at home by partaking in plantings, bird feedings, recycling, solar and more. Typically, the awardee is honored at the annual Bowie Green Expo but, with the event cancelled due to COVID-19, staff recommends that Council honor her by reading a letter of recognition at the June 15th City Council meeting. Congratulations to Mrs. Ann Fleming. Please visit: <https://www.cityofbowie.org/2247/Sustainability> to learn more about the award and its previous recipients.
