

TODAY'S COVID-19 SNAPSHOT

The City of Bowie will be reducing the frequency of the daily COVID-19 updates that you have been receiving since mid-March. Starting this week, full COVID updates, with news items and case data will be published on Mondays, Wednesdays, and Fridays.

In general, on Tuesdays and Thursdays we will just be sharing case data, unless there is breaking news to share immediately, such as a new order by the Governor or County Executive.
