The final sites are shown below. While locations #2, #7 and #8 will be attended by Scout troops, we encourage any Councilmembers wishing to join us to please do so at any of the sites. Look for preliminary results of the cleanup in next week's package.

2. BBGC

As a follow-up to the conversation Monday about the synthetic turf project at Whitemarsh Park, BBGC President Joe Hoyt has told me that Fred Phipps does not speak for the club, and he was not authorized to make the statements Monday.

Mr. Hoyt said "I was not aware of this (Phipps' appearance) nor do I approve of it". President Hoyt understands the schedule for the project, and we have positive, open communications with him.
