COVID Data Trends

The number of new cases in Maryland has been over 700 for the last two days, which is higher than they've been in almost three weeks. Prince George's County's metrics are up slightly.

Prince George's County Metrics

Prince George's County remains in Reopening Phase 2. It is not likely to move to Phase 3 for a few more weeks or until three key metrics for COVID suppression show consistent and sustained progress.

Key Metrics	Current status*	Goal
Positivity rate	4.53	Remain below 5%
Cases per 100K	11.47	New cases below 5 per 100K (low risk)
Infection rate	Medium risk	Low risk range (<.9)

(*) Red represents an increase in these figures. Green would represent a decrease.

Governor Eases Restrictions for Nursing Homes and Makes Other COVID-19 Announcements

Nursing Homes

- Effective immediately, as a result of new federal and state guidelines, indoor visitation may begin in all nursing homes that are not experiencing a current outbreak or have not experienced any new cases in the last 14 days.
- Indoor visitation will not be permitted if the local jurisdiction's positivity rate rises above 10%.
- Antigen test kits are being distributed to nursing homes and more funding has been allocated for the testing of nursing home staff.

Flu Shots

- The governor strongly encourages Marylanders to get their flu shot, from their doctor, a local pharmacy, or from their local health department as soon as possible.

Childcare

- Childcare facilities can return to full capacity for which they are licensed but must still adhere to state and federal health and safety guidelines.

Other comments made during the Governor's press conference:

- The statewide positivity rate (2.88%) is down nearly 90% since its peak on April 17. It has been under 5% for 98 consecutive days and under 4% for 54 consecutive days.
- No Maryland counties are currently in the "red zone," as designated by the CDC. All 24 jurisdictions have positivity rates below 5%; 21 are under 4%; 14 are under 3%; 4 are under 2%, and 2 are under 1%.
- Hospitalizations are down more than 80 percent since they peaked 167 days ago. Maryland has seen a nearly 88% decline in ICU levels since their peak.

About Halloween

Many of you have inquired about whether there will be trick or treating in Bowie this year. Halloween trick or treating is a time-honored tradition here and around the country. However, in the past, it has not been something the city has regulated, though we usually do recommend trick or treating hours.

Like so many other things, COVID-19 has complicated this tradition for this year. Last week, the CDC issued guidance that ranks the risks of various activities associated with Halloween. Traditional trick or treating or a trunk and treat events are ranked as high-risk activities. The [CDC Halloween guidance document](#) offers suggestions for some safer alternatives to door-to-door trick or treating.

The City of Bowie is awaiting guidance from the Prince George’s County Health Department about Halloween. When that it is released, we will publicize it widely and will likely recommend that Bowie residents follow whatever the local health officials are advising.

County Health Department Testing Update

Effective October 1, the Prince George’s County Health Department will end community COVID-19 testing at three temporary Park and Planning locations and begin expanding the number of partner test sites the department supplies across the County. COVID-19 testing from the Health Department remains free and no appointment is needed.

These sites remain open:

- Prince George’s County Health Center – Cheverly
- D. Leonard Dyer Regional Health Center – Clinton

The County also provides supplies to two other “partner” sites

- Adventist Medical Group’s Primary Care Center – Fort Washington
- Luminis Health Site at the First Methodist Church - Hyattsville

These sites are closing:

- Laurel-Beltsville Senior Activity Center
- Wayne K. Curry Sports and Learning Center
- Chillum Rollingcrest Recreation Center

Call the Health Department’s Coronavirus Hotline at 301-883-6627 for the latest testing information, weekdays between 8 a.m. and 8 p.m. or visit the [County’s testing webpage](#).

Other News

Upcoming Virtual Meetings

- 10/5, 8 p.m. – City Council Meeting (Agenda items: Police Department Update, City Development Policies)

Visit www.cityofbowie.org/calendar.aspx for more information and links to the virtual meetings.

Food Drive for Bowie Pantry – October 4

Help support those in need by donating food and other personal items to the Bowie Pantry. A drive-through food drive takes place 10/4, from 9 a.m. to noon at the Kenhill Center. Monetary donations, made out to the Bowie Interfaith Pantry, will also be accepted.

It's a Virtual International Festival this Year

The International Festival is usually one of Bowie's most popular events. This year, since we can't host the event at Allen Pond due to pandemic restrictions, we are bringing parts of the event to you virtually.

On Saturday, October 3, the Bowie Government Channel will be broadcasting some of our favorite musical and dance performances from past International Festivals. Visit the International Festival page on the City website for the broadcast schedule. You'll also find links to a short International Festival highlights video and Read Aloud book videos highlighting different world cultures. Be sure to also check out the passport section, for information and directions for several arts and crafts projects that children can do at home.

Bowie Government Channel: FIOS 10 & Xfinity 71 & 996

County Seeks Input on Bowie Master Plan Update

The County Planning Department is working on an update to the Bowie-Mitchellville and Vicinity Master Plan. The Master Plan will carefully examine existing conditions and issues, and revisit the vision for the area. This document will also help to guide development in the area for the next several years. The project team is interested in engaging the community as much as possible in the process through a series of virtual chats on eight different planning elements. Visit www.mncppc.org/4957/Community-Chat-Series for the Zoom links to each chat.

OCT 26	Rockledge

Flushing may cause some discoloration of the water for up to 24 hours.
Clothes washing should be avoided during this time.

Visit www.cityofbowie.org/flushing for more information

Election Information

Last week, the State Board of Elections began sending out mail-in ballots to those who applied for them. Ballots can be returned in the mail (no postage necessary) or at a voting drop box. The deadline to apply for a mail-in ballot is October 20.

If you have already requested a mail-in ballot:

- Monitor your mailbox in the coming days.
- Once you receive your ballot, fill it out completely, place it in the return envelope, sign the voter oath on the envelope, and seal the envelope.

- Return it to a secure ballot drop box located throughout the County by 8 p.m. on November 3, or via mail with a postmark on or before November 3. A secure ballot drop box has now been placed outside the City Gymnasium and is being guarded 24/hours a day.
