All State Emergency Mandates and Restrictions End July 1

As of Thursday, July 1, all emergency mandates and restrictions of any kind will end.

- Masks will no longer be required in any setting, including schools, camps and childcare facilities. Businesses and other workplaces may set their own policies, but there will be no legal mandate from the state requiring masks at any location.
- A 45-day grace period (through August 15) will begin when [certain regulations](#) will be relaxed to complete the transition out of the pandemic. This includes an additional 45 days to renew expired driver's licenses and an extension of the moratorium on evictions related to COVID-19. Health officials will have that 45-day period to transition from emergency operations.

These changes apply to state mandates and restrictions. Prince George's County has not yet announced any changes at the county level.

Mass Vax Sites are Demobilizing as Focus Shifts to Pharmacies, Healthcare Providers and Local Clinics
