New Vaccination Requirements for Some Employees

OSHA has announced that employers with 100 or more employees are required to ensure that each of their workers is fully vaccinated or is tested for COVID-19 on at least a weekly basis, by January 4, 2022.

The City of Bowie instituted its own vaccine requirement several months ago for employees. All employees are fully vaccinated against COVID-19.

PGCPS Will Host Mobile Vax Clinics for Students

Prince George's County Schools have announced a series of school-based COVID vaccination clinics for students ages 5 and up. The first Bowie clinic is scheduled for November 18, from 4 -8 p.m. at Bowie High School. View the full mobile clinic schedule for students at

<https://www.pgcps.org/coronavirus/pgcps-vaccination-plan>.

- Vaccine distribution will be done through pediatric offices, schools, pharmacies, and county health departments.
- Visit <http://covidvax.maryland.gov> or call 1-855-MDGOVAX for assistance in finding a vaccination location near you.
- The number of pediatric cases in the state has been growing over the last few months and now makes up 14% of cases.
- Since the pandemic began, there have been over 700 pediatric hospitalizations in Maryland.
- Recent studies have shown that the Pfizer vaccine is 90.7% effective in preventing symptomatic COVID infections among 5–11-year-olds.
- The dosage is smaller (one-third of adult dosage) and requires a two-shot regimen, three weeks apart.
