Relay Races

Candy Relay Race

Materials Needed:

Small Pieces of Candy
Bucket
Plastic Spoon

Candy Relay Race: Use any small candy (candy corn works well). Provide each team with two buckets and a spoon. The goal is to move all candies from the full bucket to the empty bucket.

Costume Relay Race

Materials Needed:

Single Costume

Costume Relay Race. Team members must race to the other side of the course, put on a costume, race back, remove the costume, and hand it to the next player.
