Fire Prevention Day Saturday October 23, 2021 11- 3PM

This annual event is held each October to educate the community of Bowie in fire prevention and home safety. This year will be our 36th annual program being held at Station 39, located at: 15454 Annapolis Road, Bowie, MD 20715. Attendance has grown over the years, with attendance in years past being in the thousands of visitors. Bowie's Fire Prevention Day is one of the biggest in the state, and in 2008 the event was honored as one of the best in the state by the Maryland State Firemen's Association.

Come join the Bowie Volunteer Fire Department and Rescue Squad as we continue to make Bowie a safer place to live. Help us help you by attending a full day of fun, sights and sounds. See live demonstrations and displays of fire trucks, as well as other public safety vehicles/equipment. This year, we will follow the theme established by the National Fire Protection Association for Fire Prevention Week, "Learn the Sounds of Fire Safety". Bring the whole family and we hope to see you there!
