Usage Charge	\$14.53 – Per 1,000 gallons of water billed of which \$5.97 is for water and \$8.56 is a sewerage surcharge
Advance	\$50.00 – Applied against your final bill
Customer Service Charge	\$50.00 – Non- refundable
Bay Restoration Fee	\$15.00 – Per quarter

The Bay Restoration Fee is collected by the City of Bowie and sent directly to the State of Maryland.

The City bills for water and sewerage service every three months. Your first bill may not cover an entire three month period. In this case, the minimum charge will be prorated at \$.7445 per day times the number of days between your settlement date and your regular billing date.

If we can be of any further service, please contact the Water and Sewerage Billing Section of the City's Finance Department at (301) 809-3016.
