

Allen Pond Amphitheater, Restroom and Parking

Background	<p>A Master Plan for Allen Pond Park completed in 2010 identified several recommendations for improvements in the park including replacement of the amphitheater, additional restrooms, and expanded parking. The City Council approved a Capital Improvement Project to implement these improvements.</p> <p>Design for this project began in 2016. Due to budget constraints, the project is planned for implementation in phases.</p> <ul style="list-style-type: none">• Amphitheater. The first phase of the project, currently scheduled for construction funding in fiscal year 2012, is to construct a new amphitheater and pavilion.• Restrooms. The second phase of the project will replace the aged 'Brick-house Restroom' building with a new restroom building. It will also provide an additional restroom building near the new amphitheater.• The final phase of the project will expand the parking area near the Northview Drive entrance.
Project Manager	George Stephanos Phone: 301-809-2336 email: gstephanos@cityofbowie.org
