

HERITAGE TRAIL PHASE I

12TH STREET TO 10TH STREET HUNTINGTON

| | |
|---|---|
| <p>Background</p> | <p>The three phased multiyear program consists of the engineering and construction of a network of multimodal trails connecting Huntington to Bowie State University.</p> <p>Phase I Described below under Project Scope</p> <p><i>Phase II: (Funding pending). Constructing an interactive/interpretive park at 10TH Street/MD 564 and within the railroad museum grounds. The multi-use park will have a railroad theme complete with scaled down historic buildings (playhouses), a playground, viewing platforms and benches.</i></p> <p><i>Phase III (Pending funding). 2,250 linear foot by 10 foot wide pave woodland trail from Adnell (Falling Waters Court) to Jericho Park. A serpentine design was utilized to take advantage of the existing trail networks and topography thus avoiding mass tree clearing and earth moving operations.</i></p> |
| <p>Project Scope Phase I</p> | <p>Constructing a +/-1,100 foot long by 10 feet wide multimodal bituminous trail. The trail will be constructed from 12TH Street, crossing over 11TH Street, under the 564 bridge and terminating at the cul-de-sac in 10TH Street. The project also includes; replacing the deteriorated 8 foot high chain link fence with a new black vinyl coated chain link fence from 10TH Street to 11TH Street, installing wetland plantings for storm water quality improvements, a retaining wall along the Amtrak property and installing regulatory signage.</p> |
